

---

**RFT 26-042 School Renovations - Glen Williams PS**

---

**The following, issued by the Halton District School Board (HDSB) February 20, 2026, shall be incorporated in the specifications and shall form part of the proposal document for the above.**

1. Prequalified Contractors: The General Contractor must select a subcontractor from the HDSB pre-qualified list of subcontractors attached (HDSB Prequalified Subcontractors) for Abatement, Electrical, and Mechanical.
2. Scope of Work: Refer to “Scope of Work” page 12 of the tender package. To clarify, the walls in the SERT/Sensory Room are not to be furred out and there is no existing or new projector in this room. Please note the description provided in the Scope of Work does not specifically address all renovations and should be read in conjunction with the entire tender package.
3. Window Sills: Contractors are advised that windows sills are continuous and span the length of the Classrooms. Pricing shall include complete removal of existing and supply and installation of new sills.
4. Gym Floor Sockets: Contractors are advised that there are five (5) existing floor sockets to be removed and replaced. New floor sockets to be provided by Gym Health Equipment Ltd.
5. Whiteboard & Tackboards: All whiteboard and tackboards shall be provided with Trim 9100 series.
6. Wood Door: Delete supply and installation of new door R1b in Sensory Room.
7. Drawing A1.3: Delete “Ceiling Notes” legend from Drawing A1.3. These are already included on drawing A1.1
8. Carpet and Carpet Tile: To confirm there is no new carpet or carpet tile in Phase 1.
9. Painting: Contractors shall include one accent wall colour in each classroom behind the new student coat hooks. Colour to be determined.

10. Existing Ceiling Tiles: To confirm, Contractors are to remove and reinstall existing acoustic ceiling tiles as required to suit new scope of work by all subcontractors.

11. Gym Flooring: New gym flooring to be Gerflor Taraflex "Sport M Plus" or Tarkett "Omnisports Active +". Colour to be selected from all wood grain options.

12. LVT Flooring:

a. Luxury Vinyl Tile Flooring to have 30MIL (0.70mm) wear layer thickness, minimum 3mm tile thickness, 20 year commercial warranty, size to be planks, colour to be selected from full line.

b. Approved products include the following

- i. "Expona Design Series" by Polyflor Canada
- ii. "Mirra" Manufactured by American Biltrite, and
- iii. "iD Inspiration HT 70"; by Tarkett.

13. Existing Corridor Ceilings: Contractors are advised that the existing corridor ceilings outside Classroom 1, 3 and 5 as well as SERT/Sensory are gypsum board. Contractor shall include in their bid all costs to remove and patch as required to suit scope of work by all subcontractors

14. Bonding Requirements: Refer to specification section 4. Bid Security and Bonding Requirement on page 5. To confirm, bid security and bonding is required as outlined if the bid submission is equal to or greater than \$500,000.00 including all applicable taxes.
