---

The following issued by the Board shall form part of the Bid / Proposal Solicitation document. The revisions and additions noted herein along with any attachments shall be read in conjunction with all other related documents. This Addendum shall, take precedence over the previously issued documents where differences occur. Receipt of this addendum must be acknowledged in the Bidding System, bids&tenders.

If you have already submitted a Bid / Proposal, it will be automatically withdrawn as a result of this addendum. You must resubmit the Bid / Proposal acknowledging all addenda and revising your Bid / Proposal to comply with all addenda.

#### **Question 1:**

Request to move the closing date.

**Answer 1:**

There will be no change to the tender close date.

**Question 2:**

Is the existing 600amp Siemens S5 switchboard located in boiler room 144 where the new panel ME1 is being installed

**Answer 2:**

The switchboard is located in electrical room 152.

**Question 3:**

Please confirm that the corridor walls at the new coat racks have tooled joints and will require only minimal patching and preparation for painting. See Drawing A6.2.

**Answer 3:**

The condition of the existing corridor walls is unknown beyond the existing lockers. Bidders are to carry the cost to repoint 300 linear feet of existing masonry corridor walls, where lockers will be removed to install new coat hooks and racks.

**Clarifications:**

The following clarification forms part of the Contract Documents and amends the original Specifications and Drawings issued for tender as noted below.

**1. REF: Project Manual Specifications**
